

You go on a Head

or: how I learned to quit worrying and love hats

Interact with the world by clicking on things.

You turn translucent when you are over a valid target.

Q: I'm stuck.

A: Click on the magician for some helpful advice.

Check the tricks in your inventory.

Click on any hat in your inventory to become that hat.

Q: No. I don't mean puzzled. I mean, I'm really stuck.

This room seems to have malfunctioned.

There's no exit. (Huis clos). I'm scared.

A: Oh, I see. This is a bug. C'est la vie.

Click "b" to return to the previous room.

Q: Well, things have gone otherwise astray (totally pear-shaped)

And I want to restore this whole shooting match to a pristine state

A: Try clicking "n" to start a new game.

If that doesn't work:

Click Ctrl-Shift-Delete (or the Wrench > Tools > Clear Browsing Data)

(Google Chrome is the recommended browser)
